

Upcoming in June: The Club will have a general meeting on Wednesday, June 8th at 7:00 PM at the Palmdale Cultural Center. Just 1 meeting this month.

Board News from the Secretary & Treasurer:

On Wednesday, May 11th, the Palmdale Lions had a meeting at the Cultural Center in Palmdale. The club covered the routine business, but there was not much new. Lion President Lorenzo did mention that the Fireworks would be showing up on June 27th, so we'll need some volunteers to help unload the truck. Hopefully there will be more about this, including the arrival time, as the day gets closer. Members present were able to sign up for the booth sales. There will be signup sheets at the upcoming meeting for people to work the booth once it opens, which is usually the day after delivery. Or stop by the booth and help unload fireworks from the delivery truck on the 27th and sign up then.

The Fireworks Booth will be located in the shopping center on the northeast corner of 20th Street East and Palmdale BLVD in East Palmdale. Probably the most well known place of business there is Harbor Freight Tools at 2101 E. Palmdale BLVD. And on the corner is a Carls Jr. restaurant.

The 3 white *north* pointing arrows in the picture represent the following:

- 1- The approximate location of the booth in the parking lot.
- 2- The all important porta potty, commonly known as “Lorenzo's Office”
- 3- The entrance to the parking lot closest to the booth – but any lot entrance will work.

Please volunteer and help the club – you don't have to be a member of the Palmdale Lions Club...we welcome members from other clubs. You don't have to be a Lion – you can be a friend of our club or a friend of a club member. There are 3 shifts a day of 4 hours each from 10 AM to 10 PM. If you can't work a full shift, any amount of time is helpful. It's a lot of fun, a great cause, and a good way to visit with members in between sales.

Fun Corner

Thanks everyone for your concern.

First off, yes I'm OK, I was a bit shaken up though. For those of you that aren't aware, I was robbed at the 7-11 Gas Station in Palmdale at 3pm today. After my hands stopped shaking, I managed to call the Sheriff's department. They were quick to respond and calmed me down because my blood pressure went through the roof! My money is gone. The police asked me if I knew who did it and I told them "Yes, it was pump number 3".
